

Wireless Track

In an era propelled by connectivity, valuable insights into the latest wireless trends, challenges, and solutions revolutionizing wireless technology can help provide the first mover advantage. From 5G evolution to IoT proliferation to 6G, our esteemed speakers at Keysight World Tech Days India 2024 will navigate through the complexities, offering clarity and expertise.

Discover how Keysight's state-of-the-art solutions empower engineers and businesses to overcome obstacles, accelerate development, and deliver exceptional wireless experiences. Through engaging presentations, live demonstrations, and interactive sessions, gain actionable strategies to optimize performance, reliability, and efficiency in your wireless endeavours.

AGENDA

Time	Plenary Sessions
8:00 a.m.	Registrations and business networking
9:30 a.m.	Introduction to Keysight World Tech Days India
9:35 a.m.	Explore Next-Generation Technology Innovation with Keysight
